Additional Terms of the Security Agreement

Generally. Property means any collateral described in this Loan Agreement in which I have an interest, now or in the future, wherever the Property is or will be located, and all proceeds and products from the Property. Property includes all parts, accessories, repairs, replacements, improvements, and accessions to the Property; any original evidence of title or ownership; and all obligations that support the payment or performance of the Property.

obligations that support the payment or performance of the Property. If the All Debts subsection is checked, the Property also secures all present and future debts, even if this Loan Agreement is not referenced in the debt instrument, the future debts are also secured by other collateral, or if the future debt is unrelated to or of a different type than this debt. Nothing in this Loan Agreement is a commitment to make future loans or advances. This Loan Agreement will not secure any debt for which you fail to give any required notice of the right of receisistion (i.e., right to cancel), or any debt for which a non-possesory, non-purchase money security interest is created in household goods in connection with a consumer loan, as those terms are defined by federal law governing unfair and deceptive credit practices.

federal law governing unfair and deceptive credit practices.

Purchase Money Security Interest. If this is a purchase money loan (the loan proceeds are used to purchase the collateral), I authorize you, at your option, to disburse the loan proceeds directly to the seller of the Property. The portion of the Property purchased with loan proceeds will remain subject to your purchase money security interest until the Secured Debts are paid in full. Payments on any non-purchase money loan also secured by this Security Agreement will not be applied to the purchase money loan. Payments on the purchase money loan will be applied first to the non-purchase money portion of the loan, if any, and then to the purchase money portion in the order in which the purchase money Property was acquired. If the purchase money Property was acquired at the same time, then payments will be applied in the order you select. No security interest will be terminated by application of this formula.

Waivers. I waive all claims for loss or damage caused by your acts or omissions

Waivers. I waive all claims for loss or damage caused by your acts or omissions where you acted reasonably and in good faith. I waive all rights I have now or in the future to a homestead or personal property exemption in the Property.

Assumptions. Someone buying the Property cannot assume the obligation. You may declare the entire balance of the Loan Agreement to be immediately due and payable upon the creation of, or contract for the creation of, a transfer or sale of the Property.

Perfection of Security Interest. I authorize you to file a financing statement covering the Property. I agree to comply with, facilitate, and otherwise assist you in connection with perfecting your security interest under the Uniform Commercial Code.

Interest under the Onliform Commercial Code.

Duties Toward Property. I will protect the Property and your interest against any competing claim. Except as otherwise provided in this Loan Agreement, I will keep the Property in my possession at the address indicated in this Loan Agreement. I will keep the Property in good repair and use it only for personal, family, or household purposes. I will immediately inform you of any loss or damage to the Property. You have the right of reasonable access to inspect the Property.

me right of reasonable access to inspect the Property.

I will keep books, records, and accounts about the Property and my assets in general, to which I will allow you reasonable access. I will pay all taxes and assessments levied or assessed against me or the Property. I will not sell, lease, license, or otherwise transfer or encumber the Property without your prior written consent. You do not authorize any sale or other disposition of the Property. Any sale or disposition you do not authorize will violate your rights.

If I pledge the Property to you (deliver the Property into your, or your designated third parry's possession or control). I will, upon receipt, deliver any proceeds and products of the Property to you. I will provide you with any notices, documents, financial statements, reports, and other information relating to the Property I receive as the owner of the Property.

relating to the Property I receive as the owner of the Property.

Insurance. I agree to keep the Property insured against the risks reasonably associated with the Property until the Property is released from this Security Agreement. I may provide the required insurance through an existing policy of insurance that I own or control. or through a policy that I buy. I have free choice in the selection of an insurance company, subject to applicable law. I will maintain this insurance in the amounts you require and have the insurance company name you as loss payee on any insurance policy. I will give you and the insurance company immediate notice of any loss. You may apply the insurance proceeds toward what is owed on the Secured Debts. If

the insurance proceeds do not cover the amounts I owe you. I will pay the difference. You may require additional security as a condition of permitting any insurance proceeds to be used to repair or replace the Property. If you acquire the Property in damaged condition, my rights to any insurance policies and proceeds will pass to you to the extent of the Secured Debts. I will immediately notify you of cancellation or termination of insurance.

Creditor-Placed Insurance Notice. I am giving you a security interest in the Property described in the Security Agreement section. I am required to maintain insurance on the Property to protect your interest until all debts secured by this Loan Agreement are paid. If I fail to provide evidence of insurance on the Property to you, you may place insurance on the Property and I will be responsible to pay for the costs of that creditor-placed insurance. At your option the method of billing for creditor-placed insurance charges may create a balloon payment or extend the maturity date of the debts secured by this Loan Agreement.

Authority to Perform. I authorize you to do anything you deem reasonably necessary to protect the Property and your security interest in the Property. If I fail to perform any of my duties under this Loan Agreement, you are authorized, after providing me with any required notice and opportunity to perform, to perform the duties or cause them to be performed and add the costs of performance to the Secured Debts. These authorizations include, but are not limited to, permission to pay for the repair, maintenance, and preservation of the Property and taking any action to obtain or preserve the benefits and rights of the Property. Your authority to perform for me will not create an obligation to perform and your failure to perform will not preclude you from exercising any other rights under the law or this Security Agreement. If you come into actual or constructive possession of the Property, you will preserve and protect the Property to the extent required by law. Your duty of care with respect to the Property will be saisfied if you exercise reasonable care in the safekeeping of the Property or in the selection of a third party in possession of the Property.

Third Party Agreement

For the purposes of the provisions within this enclosure, *I*, *me* or *my* means the person signing below and *you* means the Lender identified in this Loan Agreement. I agree to give you a security interest in the Property that is described in the Security Agreement section. I agree to the terms of this Loan Agreement, but I am in no way personally liable for payment of the debt. This means that if the Borrower defaults, my interest in the secured Property may be used to satisfy the Borrower's debt. I agree that you may, without releasing me or the Property from this Third Party Agreement and without notice or demand upon me, extend new credit to any Borrower, renew or change this Loan Agreement one or more times and for any term, or fail to perfect your security interest in, impair, or release any security (including guaranties) for the obligations of any Borrower. I have received a completed copy of this Loan Agreement.
